

Just a note to let you all know that I adopted Ziva in June 2010 from Mutt Matchers & Friends. She is a very quiet and loving dog. Was not planning on getting another large dog, but she won my heart. She has a sister Sandy who is 1 year older than Ziva and they get along just great. Two great buddies. In May I adopted another dog. He was very small when I got him. He had grown lots. He and Ziva are best of buddies. Bowser loves for Ziva to chase him around the house. Ziva is so gentle with him. Bowser loves to give her head rubs and keeps her ears clean. Picture enclosed
